

Season Fourteen Indoor Flying Schedule

Roger Stone has re-negotiated a deal with the Business Services team at the RAF Halton site regarding the further use of a large gymnasium for the purposes of flying indoor models on a regular basis. The site is near perfect for this activity. The hall is heated during the winter and is substantial, there is plenty of parking and it's just a five minute drive from Aylesbury.

The next schedule of bookings is as follows: - 11th October, 25th October, 8th November, 22nd November, 6th December, 20th December, 3rd January 2019, 17th January, 31st January, 7th February, 21st February, 7th March, 21st March, 4th April & 18th April. All bookings are from 20:00 to 22:00.

Assuming a minimum of six attendees for each session, the fees for model flyers will be £10 per person. Spectators are welcome and the fee is £2 per visit. Attendees (and visitors) must bring photographic identity with them in the form of a passport or new style "photo card" driver's license.

Please ensure that you arrive in good time to clear security and be at the assembly point by no later than 19:45. Three members have full security access and will be able to escort you to the gym. You will not be able to drive to the gym from the assembly car park without an escort. Members with full security access are Mike Smart & Cliff Neighbour.
